

OCCURRENCE AND HOST ASSOCIATION OF LONGIDORID AND TRICHODORID NEMATODES IN PAKISTAN

M.A. MAQBOOL AND K. NASIRA

*National Nematological Research Centre,
University of Karachi, Karachi-75270, Pakistan.*

Abstract

Maqbool (1992) and Nasira & Maqbool (1993) listed a number of nematode species belonging to the group Longidoridae and Trichodoridae from Pakistan. Besides, Nasira *et al.*, (1993), Nasira & Maqbool (1994a), Nasira & Maqbool (1994b) described *Paralongidorus lemoni* Nasira & Maqbool, 1994; *Paratrichodoros psidii* Nasira & Maqbool, 1994; *Paratrichodoros faisalabadensis* Nasira & Maqbool, 1994; *Xiphinema cynodontis* Nasira & Maqbool, 1994 while *Paralongidorus major* Verma, 1973; *Paratrichodoros mirzai* (Siddiqi, 1960) Siddiqi, 1974 and *P. renifer* Siddiqi, 1974 have been newly recorded for the first time in Pakistan.
